Mr. J. D. Fitzgerald  
General Chairman UTU  
The Academy  
400 E. Evergreen BLVD.  
Vancouver, WA 98660

Dear Mr. Fitzgerald:

This is to confirm that we will implement trip rates incorporating the National Pay Elements on the following run beginning on August 16, 2005 pursuant to Article V - Pay System Simplification, Section 9 - Implementation of the August 20, 2002 National Agreement with United Transportation Union. The trip rate includes all service protected by Interbay Board No. 200, protecting service between Interbay and Wenatchee, including getting or leaving trains at any location within the terminals.

<u>Run</u>	<u>Test Period</u>	<u>Conductors' Trip Rate</u>
Interbay/Wenatchee	1/1/01 -12/31/01	\$199.53
<u>Run</u>	<u>Test Period</u>	<u>Brakemen's Trip Rate</u>
Interbay/Wenatchee	1/1/01 -12/31/01	\$187.08

It is understood that this trip rate only applies to employees protecting service by Interbay Board No. 200 protecting service between Interbay and Wenatchee. When trip rates are implemented on this run, the notification requirements for employees combining service and deadhead are eliminated and the appropriate trip will apply. An employee who deadheads either to or from the away-from-home terminal without being released for lodging at the lodging facility (previously a terminal to terminal combined service/deadhead trip) will be paid two Trip Rates.

Overtime in the applicable through freight service will be paid after the applicable overtime threshold plus the following overtime extension:

	<u>Overtime Extension</u>
<u>Run</u>	<u>Trip Rate</u>
Interbay/Wenatchee	22 minutes

Sincerely,

Aug 16 2005
